

## APARTMENT IN DOWNTOWN STRESA CENTER WITH GARAGE

Apartment €280.000

ID:#A10

Exclusive Listing - Video tour available! - In a prime central location, within an elegant building equipped with an elevator, its offer for sale a charming 78-square-meter apartment on the second floor. The entryway opens onto a hallway, leading to a separate, custom-built kitchen featuring a breakfast bar and a balcony with a closet for a condensing boiler. The living area faces southwest and is very bright, featuring a dining area and access to a long, comfortable balcony that is partially covered. In the sleeping area, there is a bathroom with a window and a shower, and a master bedroom with an additional covered balcony used as a veranda. The living room is spacious and comfortable since the wall separating it from the small bedroom has been removed; the door of the small bedroom from the hallway is still there and the room can be restored if needed. The apartment has independent heating; the kitchen and bathroom were renovated a few years ago. It features single-pane windows, wooden shutters, and ceramic tile floors. Everything ...
